

CORPORATE PROFILE

VTech is the global leader in electronic learning products from infancy through toddler and preschool and the largest manufacturer of residential phones in the US. It also provides highly sought-after contract manufacturing services.

Since its establishment in 1976, VTech has been the pioneer in the electronic learning toy category. With advanced educational expertise and cutting-edge innovation, VTech products provide fun and learning to children around the world. Leveraging decades of success in cordless telephony, the Group's diverse collection of telecommunication products elevates both home and business users' experience through the latest in technology and design. As one of the world's leading electronic manufacturing service providers, VTech offers world-class, full turnkey services to customers in a number of product categories.

The Group's mission is to integrate economic growth, environmental protection and social responsibility in its business strategies to design, manufacture and supply innovative and high quality products for the well-being of people and benefit of society, aiming to drive sustainable value for its stakeholders and the communities.

With headquarters in Hong Kong and state-of-the-art manufacturing facilities in mainland China, Malaysia and Mexico, VTech has approximately 21,600 employees in its operations across 15 countries and regions, including about 1,500 R&D professionals in R&D centres in Hong Kong, mainland China, Germany, the US and Canada. This network allows VTech to stay abreast of the latest technology and market trends throughout the world, while maintaining a highly competitive cost structure.

VTech invests significantly in R&D and launches numerous new products each year under its portfolio of strong brands, supported by a global distribution network of leading traditional and online retailers.
